EDUCATION

LALIT NARAYAN MITHILA UNIVERSITY
Bachelor of Science Mathematics
Percentage: 58%

jul 2017 - Nov 2020
Begusarai Bihar

RBS COLLAGE TEYAI BEGUSARAI
12h Science
Percentage: 54.4%

Jun 2015 - Feb 17
Begusarai, Bihar

BN + 2 HIGH SCHOOL TEYAI , BEGUSARAI
10th HND,MATH,SC,SST,SNK,ENG
Percentage: 60.2%

MAR 2014 - MAR 2015
Begusarai, Bihar

EXPERIENCE

MADRID SOFTWARE TRAINING CENTER | Data Science Trainer   Delhi | Nov 2022 – Jun 2023

- I have a strong ability to explain complex data science concepts in a clear and concise manner.
- I actively stay updated with the latest trends, tools, and methodologies in data science.
- I have worked on multipole tools like python, R, SQL, Excel, Power Bi, Tableau, Statistics, and Machine Learning.

SKILLS

Programming Languages	Python, R And SQL
Libraries/Frameworks	Numpy, Pandas, Matplotlib, Seaborn, plotly, sklearn, ntlk, dplyr, ggplot2
Tools / Platforms	Advance Excel, Power Bi, Tableau, Statistics, Machine Learning, Spreadsheet, Google studio

PROJECTS / OPEN-SOURCE

STOCK MARKET ANALYSIS | Link   Power Bi, Google studio, Excel

- With this Project i have got lots of insights. some insights given below.
- Which industry has high Marker price Last one Year price and current Price.
- For More information please visit my Github link.

MOVIE RECOMMENDATION | Link   Python, Machine Learning, Statistics, sklearn, ntlk

- Building a movie recommendation system involves a combination of data processing, feature engineering, model training, and evaluation. By leveraging machine learning techniques, these systems can provide users with personalized movie suggestions, enhancing their movie-watching experience and facilitating the discovery of new movies they might enjoy.
- For More information please visit my Github Link.

CAR-EX-SHOWROOM PRICE PREDICTION | Link   Python, Machine Learning, Statistics

- With the help of this project i have created a machine learning model to predict the Car price of ex-showroom car.
- In this project i have done data cleaning, Feature engineering, Performed EDA.
- For More information please visit My Github link that Given Above.
